

May 12-15, 2010
Michigan International Speedway

The Formula SAE® challenges university teams to conceive, design, fabricate and compete with small formula-style, autocross racing cars. Over the course of three days, the cars are judged in a series of static and dynamic events including: Design Presentation, Cost Presentation, Engineering Design, Acceleration and Skid Pad Performance, Solo Performance trials and Endurance Performance & Fuel Consumption. The vehicles must also pass strict safety standards.

The competition began in 1981 in Texas and migrated to the Detroit area in 1986. The series now includes events in Michigan, California, Australia, Brazil, Germany, Italy, and the U.K.

1500+ students representing 120 teams from over 35 States and 12 countries will be competing this year at the Michigan International Speedway near Jackson. Additionally, many of these teams will compete with these cars later in the year at SCCA Solo events across the country.

More information can be found at > <http://fsae.TurnMarshals.com/>
Photos from last year's event > <http://bucchi.smugmug.com/2009-FSAE-AT-MIS>

The schedule for this year's event:

Wed May 12 / 2pm - 7pm	Team registrations and Tech Inspections
Thu May 13 / 9am - 6pm	Static and Dynamic Tech Inspections, Practice, Cost and Engineering Presentations, Design Judging
Fri May 14 / 9am – 12:30pm / 2pm ~ 5:30pm	Skid Pad and Acceleration events Autocross event
Sat May 15 / 9am ~ 5:30pm / 8pm - 10pm	Endurance & Fuel Economy event Award Ceremony

The FSAE relies heavily on volunteers to staff the event; everything from registration and parking to judging, tech inspections, and on-track course workers. Chrysler, Ford, GM, and Tier 1 supplier employees volunteer to staff many of the positions. Additionally, the dynamic race events are organized and staged by the SCCA Detroit Region.

We are looking for volunteers for Wed May 12 through Sat May 15. You can volunteer for ½ day, 1 day, 2 days or more if you can spare the time and energy. We will keep you refreshed with a continental breakfast, lunch, drinks & snacks.

Additional perks include 3x Detroit-SCCA worker points per day, SCCA F&C work-day credit (for Saturday), free on-site camping, gas card giveaways, and a worker appreciation dinner on Saturday evening. A limited number of hotel rooms are also available for SCCA members.

SCCA Volunteer areas include:

- | | | |
|--------------------------------------|--------------|-------------------------------|
| - Tech Inspection | W, Th, F, Sa | < mandatory training is req'd |
| - Track & Equipment set-up/tear-down | W, Th, F, Sa | |
| - Practice Area operations | Th, F, Sa | |
| - On-Track Support operations | F, Sa | |
| - Course Marshals | F, Sa | |
| - Timing & Scoring | F, Sa | |

So if you have volunteered in the past, or would like to try something new and exciting, we can find a job for you at this year's FSAE. No experience is required; training will be provided.

Contact us if you can help and let us know the days and jobs that you wish to work, your email address and phone number:

- John Lisiecki - RaceGuy@TurnMarshals.com or Gary Godula - ggodula@twmi.rr.com
- Kevin Royce (Tech Inspection) – klr98@mac.com

We appreciate and look forward to your participation !
